Introduction

Welcome to the **Movie Collection App**! This application helps you organize, track, and manage your personal movie collection. Whether you collect physical media (DVDs, Blu-rays, 4K UHD) or simply want to keep track of movies you own or want to watch, this app makes it easy.

Key Features

- ✓ **Organize Your Collection** - Keep track of all your movies in one place
- ✓ **Wishlist Management** - Save movies you want to watch or buy later
- ✓ **Movie Search** - Find and import movie information from online databases
- ✓ **Statistics** - View insights about your collection
- ✓ **Cloud Sync** - Access your collection from any device
- ✓ **Dark Mode** - Comfortable viewing in any lighting condition

Getting Started

Creating an Account

1. Launch the App

- Open the Movie Collection App on your device

2. Sign Up

- On the login screen, tap **"Don't have an account? Sign Up"**
- Enter your email address
- Create a secure password (minimum 6 characters)
- Tap **"Sign Up"** to create your account

3. Verify Your Email (if required)

- Check your email inbox for a verification message

Account Management

Logging In

1. Open the app
2. Enter your registered email address
3. Enter your password
4. Tap **"Sign In"**

Logging Out

1. Open the app
2. Tap the **menu icon** (three lines) or navigate to **Settings**
3. Scroll to the bottom
4. Tap **"Logout"**

Managing Your Movie Collection

Viewing Your Movies

1. After logging in, you'll see your **Movie List** page
2. All your added movies are displayed here
3. Scroll through the list to browse your collection

Adding a Movie Manually

1. From the Movie List page, tap the "+" (**Add**) button
2. Fill in the movie details:
 - **Title** (required)
 - **Director**
 - **Description**

Using the Wishlist

The Wishlist helps you keep track of movies you want to watch or purchase in the future.

Adding to Wishlist

From Movie Search:

1. Search for a movie (see [Searching for Movies](#))
2. Tap the **"Add to Wishlist"** button on the movie card

Manually:

1. Navigate to **Wishlist** page from the menu
2. Tap the **"+" (Add)** button

3. Enter movie details:

Searching for Movies

The Movie Search feature lets you find movies from online databases and import their information automatically.

Searching for Movies

1. Open **Movie Search** from the menu
2. Enter a movie title in the search box
3. Results will appear as you type

Using Search Filters

Refine your search with filters:

- **Minimum Year** - Show movies released after a certain year
- **Maximum Year** - Show movies released before a certain year

Viewing Statistics

The Statistics page provides insights into your movie collection.

Accessing Statistics

1. Navigate to **Summary** or **Statistics** from the menu
2. View your collection overview

Available Statistics

- **Total Movies** - Total number of movies in your collection
- **Total Wishlist Items** - Number of movies on your wishlist
- **Movies Watched** - How many you've seen
- **Movies Unwatched** - Movies you own but haven't watched yet
- **Total Runtime** - Combined runtime of all movies

Settings & Preferences

Accessing Settings

1. Tap the **menu icon** or navigate from the home screen
2. Select **Settings**

Available Settings

Appearance

- **Dark Mode** - Toggle between light and dark themes
 - Tap the switch to enable/disable dark mode
 - Changes take effect immediately

Account Information

- **Profile** - View your display name

Tips & Tricks

Organize Your Collection

- Use **Storage Location** to track where physical media is kept
- Add **Notes** for special features, condition, or purchase date
- Mark movies as **Watched** to track what you need to see

Use the Wishlist Effectively

- Set **Priority** levels to focus on must-have movies
- Add **Reasons** to remember why you wanted each movie
- Check your wishlist before shopping or browsing streaming services

Import vs Manual Entry

- Use **Movie Search** to quickly import accurate information

Privacy & Security

- Your data is encrypted and stored securely
- We never share your personal information
- You can delete your account and all data at any time
- For detailed privacy information, see our [Privacy Policy](#)

Support & Feedback

If you encounter issues not covered in this manual or have suggestions for improvements:

- Check for app updates in your app store
- Review the Troubleshooting section above
- Contact support through the app (if available)

Thank you for using Movie Collection App! We hope you enjoy organizing your movie collection.
